

# GOV. CANDLER PRAISES S.S.S.

He has Used it for Fifteen Years, and Declares it is the Best Blood Purifier and Tonic Made. Strong Words from Georgia's Chief Executive.

There is not one person in a hundred whose system can successfully with-stand the severe drains of the Spring season without the aid of a tonic. All of the accumulated impurities of a year must now be eliminated, and this causes a struggle which usually results in a breakdown. A few bottles of S. S. S. just now will thoroughly purify the blood, improve the appetite and give tone and strength to the whole system. More important of all, S. S. S. will so perfectly remove all impurities as to fortify the system for successfully resisting the many dan-gerous forms of sickness so prevalent during the summer. No Georgian is as near to the hearts of the people as their beloved Governor, Allen D. Candler. Faithful to every trust, his rugged honesty is his shining virtue. His word is accepted far and wide, for he never gives an endorsement without absolute knowledge of the merits of an article. Governor Candler has used S. S. S. for fifteen years; he knows that it contains no drugs of any description, and he is not hesitatingly saying that it is the best tonic he has ever used. S. S. S. is the only tonic which contains no potash, soda, arsenic or other dangerous stimulant. You need S. S. S. to thoroughly cleanse the blood, improve your appetite, and renovate your system. In- stead of S. S. S. and take nothing else.

### How Did Jim Know?

For several years my early morning walk lay through the first block of West Fifty-seventh street, where I regularly received a milkman delivering milk. He would take from his wagon a rack containing several bottles and go from house to house, while his old gray horse walked sedately on alone.

One morning as I was passing the pair midway the block the man said to his horse:

"Go on, Jim, and turn at No. 7."

I watched with interest. Jim did go on until exactly opposite No. 7. Then he carefully turned and walked back to his master—or shall I say, comrade? Yet some people think that the lower animals cannot reason.—Our Animal Friends.

### A Mule Cheats Tobacco.

Balam's donkey is doubtless the only one that ever spoke to man, but it seems that there are some trying to im-itate man's ways. A Fayette county farmer has one of this kind. Old Silas for years has had a tobacco barn, where it often changed that scraps of the soothing weed got into his rations. Perhaps he regarded it as a kind of snuff, and he has been known to be-attach to it, like his master, and now he can't do without it. If he fails to get his morning's chew, it is useless to harness him to anything. He will not budge a peg—his means no. His master knows what the trouble is. He goes down in his pocket, fishes up his own twist and makes a peace offering. The old mule almost laughs as he rolls the quid into his cheek and proceeds to his work as meekly as a lambkin. His master claims that Silas is as good a judge of a "chew" as of oats.—Win- chester (Kan.) Democrat.
